Animoto

- Animoto je web alat koji korisniku omogućava izradu video materijala korištenjem slika, teksta, glazbe i drugih video materijala.
- Sučelje je jednostavno što uvelike olakšava njegovo korištenje i omogućava bolju preglednost, estetski ugodan i jednostavnog dizajna.
- Prijava se vrši AA@Edu.hr korisničkim računom s kojim se mogu izraditi desetominutni video materijal.
- Animoto je alat za stvaranje videozapisa u oblaku koja stvara video iz fotografija, video isječaka i glazbe u video prezentacije i prilagođene web prezentacije.

Značajke Animoto alata

Online platforma temeljena na oblaku.

Ne morate brinuti o formatima raznih datoteka jer Animoto prebacuje iz jednog u drugi format po potrebi.

Alat uključuje predloške kako bi bio jednostavniji za kreativni izražaj.

Dijeljenje je jednostavno kao kopiranje veze.

Videozapis je stvoren na mreži, znači da se video može napraviti na mnogim uređajima (računala, tablet, mobitel).

Kreiranje dokumenta (Create)

The screenshot displays the 'Create' interface of a software application. On the left is a dark blue sidebar with navigation icons and labels: a camera icon for 'Media', a film strip icon for 'Tours', a trash can icon for 'Trash', a graduation cap icon for 'Information', a film strip icon for '360° Library', and a lightbulb icon for 'Updates'. The main content area has a top header with an 'Organization' button, a 'Upgrade to Professional' button (highlighted with a red circle and a red arrow), a 'Use invite code' link, a settings gear icon, and a green 'ML' badge. Below the header, there is a 'Media' section with a search icon, a grid icon, a plus icon, and a blue 'Create' button. The media gallery shows eight items: 'slika7b' (a diagram of a network), two 'Bluetooth' items (each with a Bluetooth icon), and five 'Interactive!' items (each with a 'thinglink..' logo). The bottom right corner features a blue 'Support' button with a question mark icon.
